

The tracker app can be accessed via the link attached below –

You can check it out here: <https://app.fleetpin.co.nz/m/coachways-ltd> and share this link with parents, students, school, etc. Note that the vehicles display as 'offline' when outside of the scheduled days/times.

Also, attached is a QR code that can let customers quickly access the web app from their phone. They can then add this as an app icon to their home screen:

- Apple / iOS: Open the link in Safari, tap the share icon and select 'Add to home screen'.
- Android: Open the link in Chrome, select the 3-dot menu, and choose 'Add to home screen'

Thank you for your continued support of our school bus services!
